2017 Ball | Harlem Renaissance

Each year, Chicago Sinfonietta's Ball is a nod to the past season and a sneak peak at the season to come. In anticipation of a star-studded, larger-than-life, 30th anniversary performance of the Grammy Award Winning 12-movement epic *Ask Your Mama*, Chicago Sinfonietta is taking inspiration from the Harlem Renaissance for this year's Ball. Characterized by prolific art-making, transformative literature, and exciting musical innovations, particularly in the African American community, the Harlem Renaissance will inspire this year's ball from repertoire to decor to dress.

Please join us for an incredible evening to raise much needed funds for the nation's most diverse orchestra.
